Easter Day

Day
of
Joy

A scroll with the text "My day" is the central focus. The scroll is unrolled, showing the text in a bold, black, sans-serif font. The scroll is held by two dark wooden rollers at the top. Below the scroll, another rolled-up scroll is visible, also with a dark wooden roller. The entire scene is set against a circular teal background with a soft gradient, which is itself centered on a light yellow background.
