

Unlock all of your senses. Experience synesthesia.

Can wine sound as good as it tastes? Chopin, Haydn and Puccini might agree. The dazzling piano partitas and sonatas of Bach; Jacqueline du Pré's remarkable performance of the Elgar Cello Concerto; and the exquisite arias and art songs of the world's greatest composers create a perfect match for the finest wines.

Taste how it sounds

Inspired by the great Baroque composer - and coffee fiend J.S. Bach, whose coffee addiction led to the Cantata BWV 211 - commonly known as the 'Coffee Cantata', Wine Cantata offers a new multifaceted experience that engages all your senses beyond taste, smell and sight.

Sneak peek for you:

Listen in the living room, kitchen or wherever you want

With built-in tools, you can stream music to any of your speakers or headphones. Wherever you are in your living room, office, or even at a friend's party - get the maximum enjoyment from high-quality sound.

WANT TO TRY

What people say

“

I live by this app now. I try to do my best to enjoy the wines I drink. With this app I do it in a completely new way.

Charlotte, Italy

“

This app will change your wine life. And it will make you feel fancy. I can't believe it's free.

Peter, France

“

I love the discovery and ability to find new wines that I would probably not be able to find locally.

Louise, UK

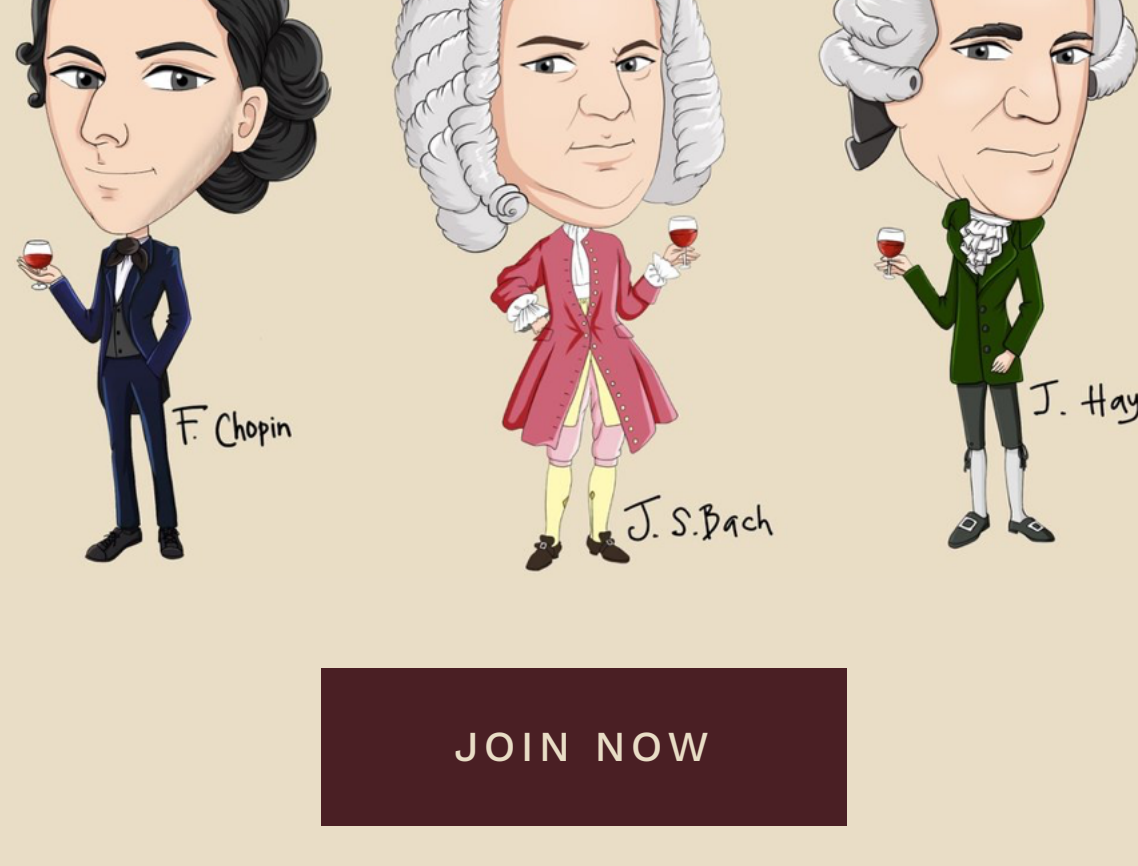

“

The app is stunning. I love the wines f...

Gianna, US
