ancrew+1@gmail.com 1 [platena	ime] from [restaurant]	\$10		
ancrew+2@gmail.com 2 [platena	ime] from [restaurant]	\$20	Track Delivery More Info	
ancrew+3@gmail.com 1 [platena	me] from [restaurant]	\$10		
ancrew+4@gmail.com 1 [platena	ime] from [restaurant]	\$10		

The Yelp Admin user would be able to see all restaurants in the system and create new restaurants. They would also have the ability to edit any dish or change the inventory for any dish.

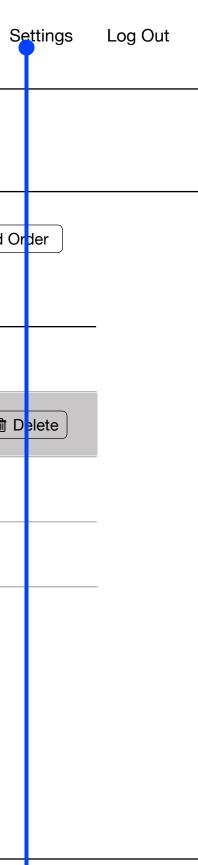

The Yelp Admin user would be able to manage their fleet of drivers and delivery people. Each new order is assigned to a delivery person either automatically or manually.
