LIFE'S SHORT

TRUST ME, WHEN YOUR ENVIRONMENT IS INHOSPITABLE AND FULL OF CREATURES WHO SEE YOU AS LUNCH, THAT BECOMES CLEAR PRETTY QUICKLY. SO IT'S WORTH MAKING SURE YOUR LIFE DOESN'T BECOME ALL ABOUT YOUR JOB.

WORK / LIFE BALANCE AND ALL THAT.

HERE'S THE DEAL: Working in out of hours and emergency care means I get some time for me during the day. And I can do what I want with it. I like to go hang-gliding (in your face evolution), but you may prefer riding a bike, reading a book or just going to the gym a bit more. Vets Now can give you the flexibility to choose – you could even arrange the time off to go travelling.

Good salary, benefits, flexibility, more varied work, career progression... what's not to like?
