#SOUNDKEY

This is a song

#SOUNDKEY

But it also goes by:

#1345269082991

#SOUNDKEY

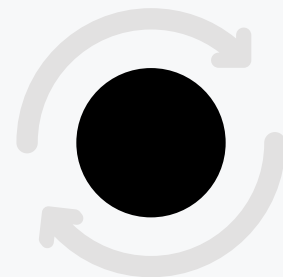

**This song can license itself,
because its copyright holder(s)
told it how to.**

#1345269082991

“Title” By Artist

← **Public Performance** →

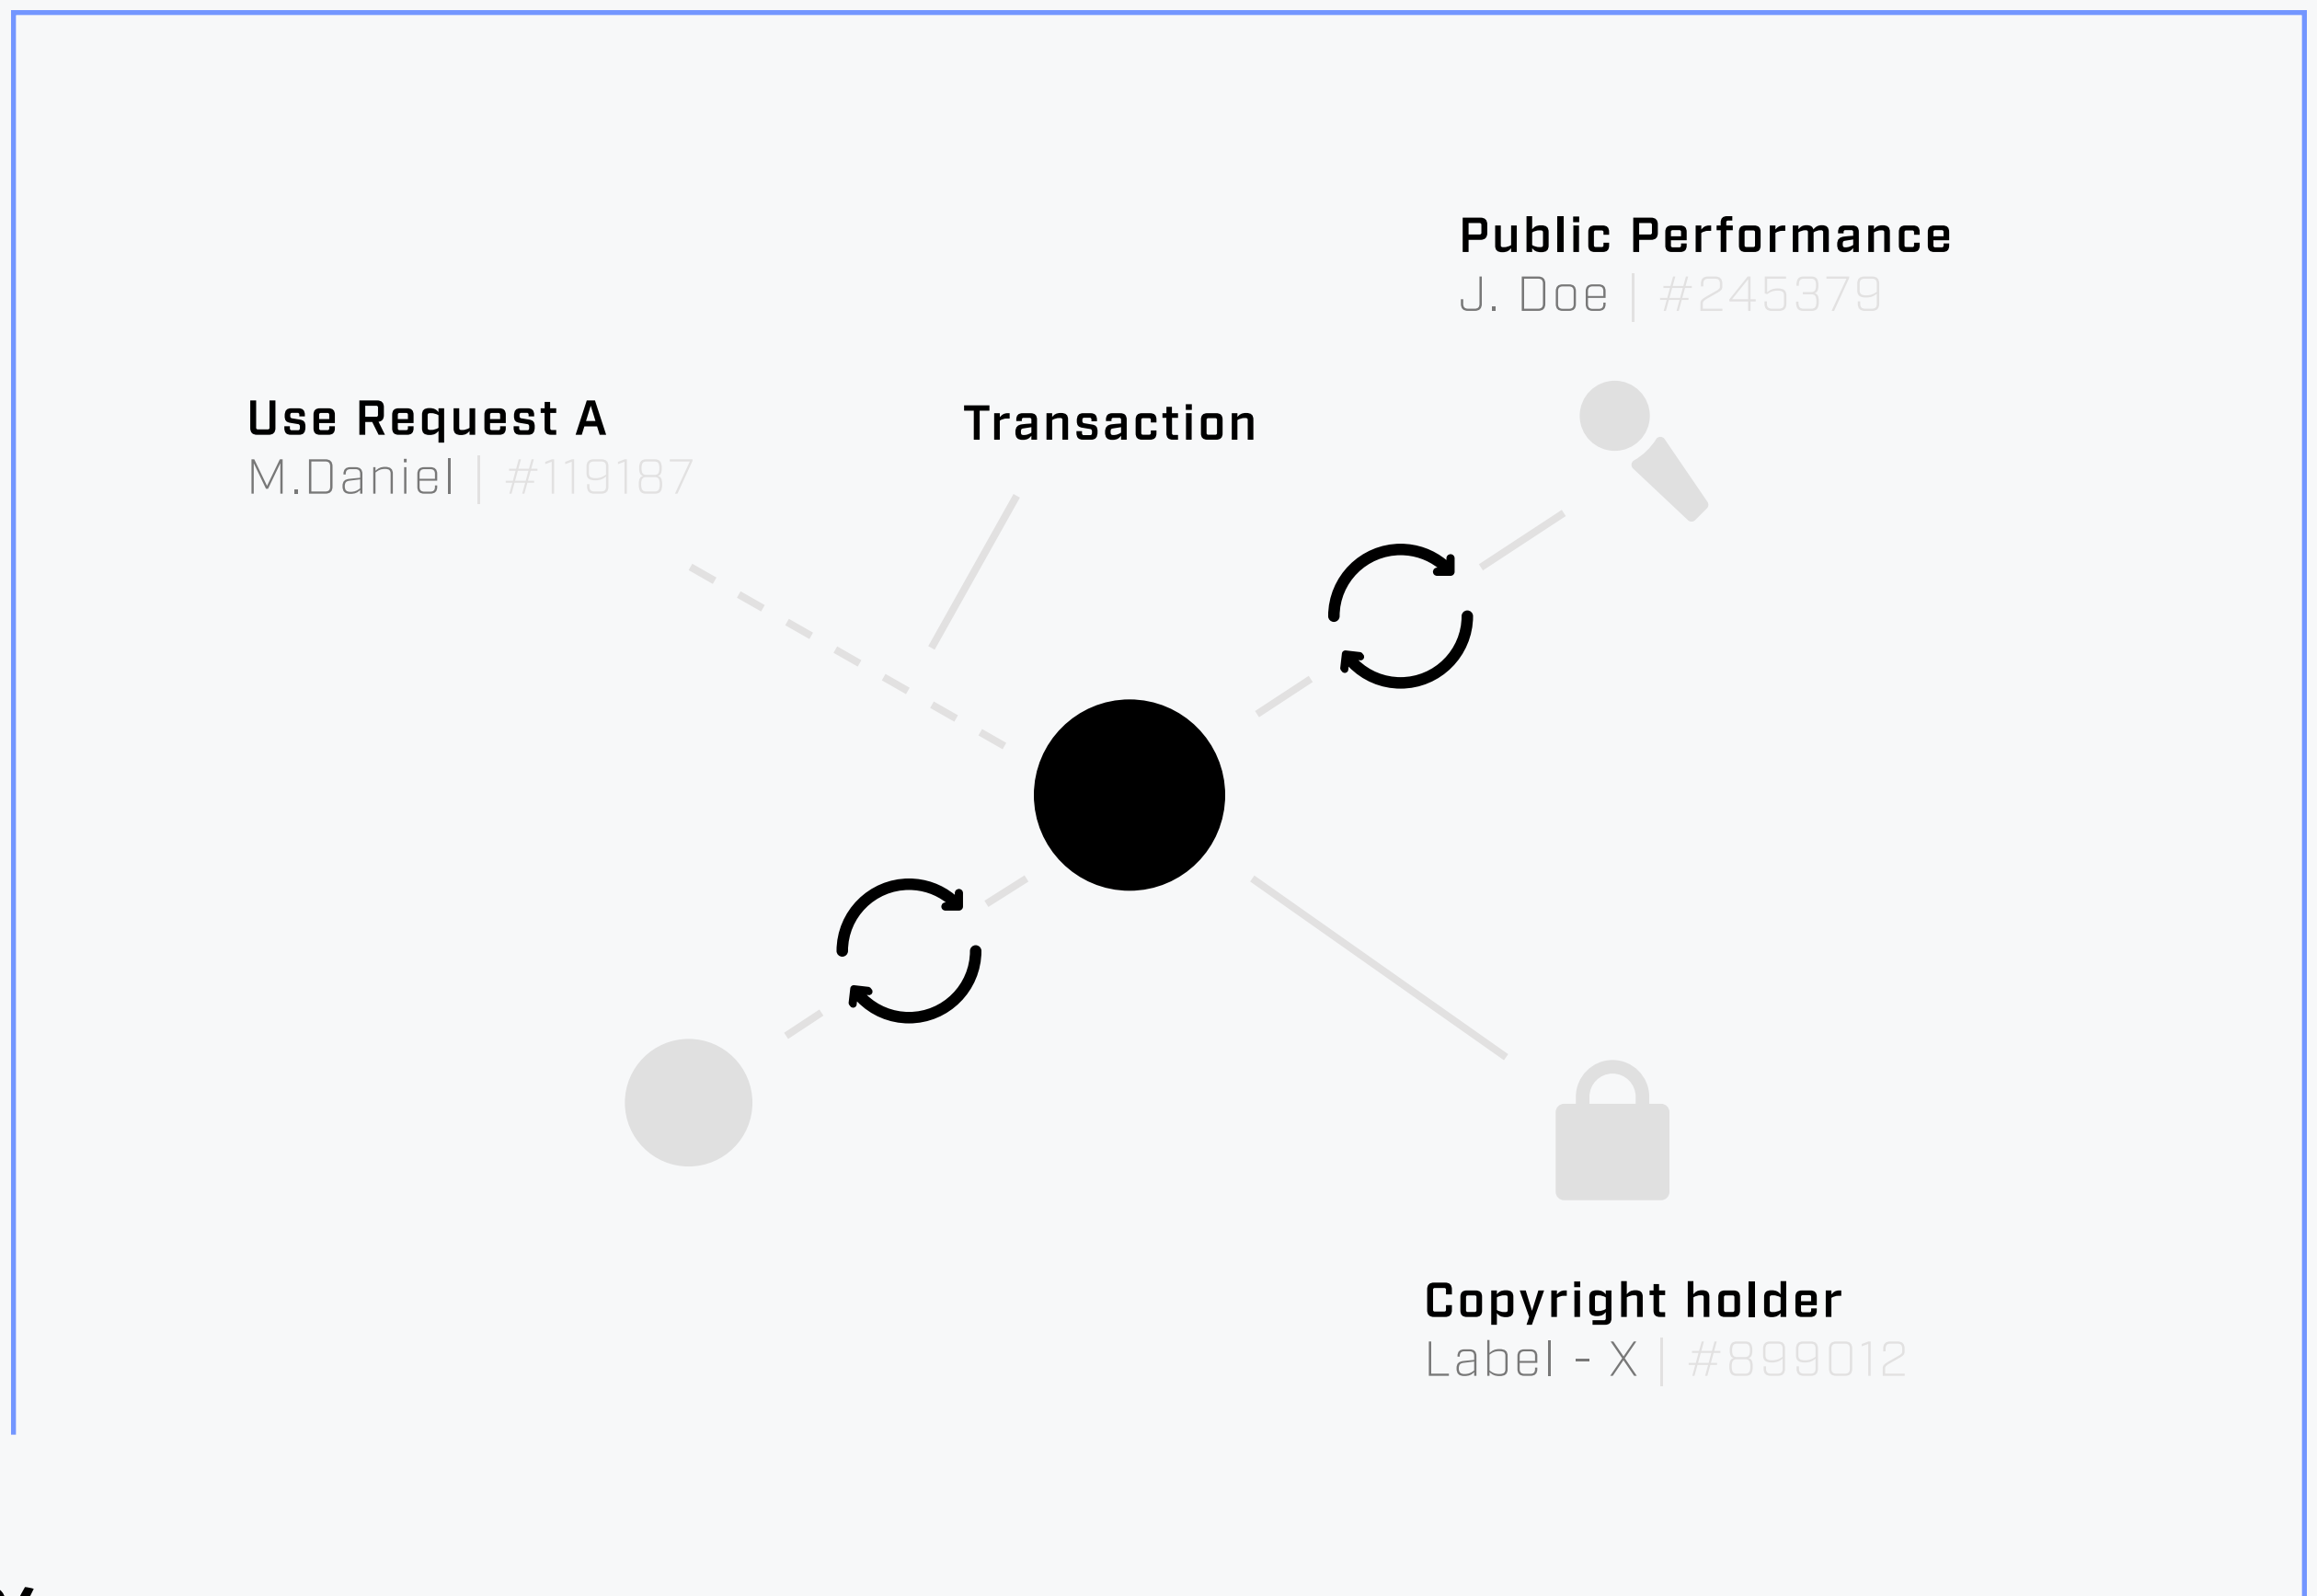

\$250 / Mo.

03/05

#SOUNDKEY

Using blockchain technology, the song can easily record and process transactions, to add users to its license.

#SOUNDKEY

By combining payment types and usage rights, a large number of scenarios are manageable.

Transaction Types		Usage Rights	
	Recurring Payment		Public Performance
	One Time Fee		Reproduction
	Royalties		Distribution
	Combinations		Derivative Works
	Etc.		Display

#SOUNDKEY

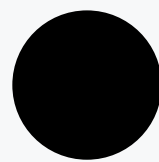

By monitoring these licenses, the song can total the revenue it has earned for the copyright holder.
