DAY SESSIONS

We'll host our day sessions conveniently at the historic Planters Inn. Expect a full day of sessions Monday and a half day Tuesday, concluding after lunch.

We'll hear from Dave Ramsey, Donald Miller, and a panel of industry experts moderated by Erica Farber. Topics will include reaching your desired future, rejecting fear, and dealing with uncertainty in decision-making, as it relates to the rapid changes in our industry.

WHAT'S THE ATTIRE?

The backdrop is laid back. Dress business casual in jeans or khakis. Just make sure you're comfortable!
