

Welcome Packet

Client | City of Hutto

Completed | Spring 2016

Pages | 12 page Booklet

A welcome packet that was created for the City of Hutto in 2016. I designed this 12 page booklet using their new logo and color scheme. All photos were provided by the city to be used specifically for this booklet.

UTILITY INFORMATION

Your City of Hutto utility bill includes charges for water, wastewater and garbage services depending on where you live.

Utility bills are due within fifteen (15) days of the billing date. A late charge of 10% is assessed to bills not paid after the 15th day. Water service is subject to disconnection if not paid 25 days after the billing date.

Fees and deposits will be assessed if services are disconnected for nonpayment.

Garbage Pickup

Curbside Garbage is picked up weekly on your scheduled day. Bag all garbage to prevent litter. You may choose a 65 or 95 gallon can. Please see www.HuttoTX.gov/residentialgarbage for rates.

Place garbage container with lid closed and recycling bin curbside by 7 am. Do not place recyclables, furniture, appliances or yard waste in trash containers. Yard waste, depending on what it is, limbs and branches stick out and dirt and rocks make trash containers too heavy. Clawson prefers yard waste in bags next to the container. Bundle brush in stacks no longer than four (4) feet in length and place next to the container.

Only four (4) additional garbage bags can be placed on curbside at one time. Weekly bulk pick up is the same day as scheduled garbage pick up.

Garbage containers must be removed from curb by the next morning per City Ordinance.

No trash pickup on Thanksgiving Day, Christmas Day, New Years Day, or 4th of July. Trash/Recycling pick-up will be one day late for that week only. Friday pick-up will move to Saturday for that week only.

Curbside Recycling

Curbside Recycling is weekly on the same day your trash pick-up. www.HuttoTX.gov/recycling. Recyclables must be rinsed, caps removed and placed inside recycling container.

A Household Hazardous Voucher Program is also available free of charge to city of Hutto residents utility customers. This program helps you safely dispose of household hazardous waste for example: Aerosols, Poisons, Chemicals, Paints, Fuels, oil and oil filters. Come by our office to pick up a voucher.

Utility Service Area

The City of Hutto provides water and wastewater services for customers south of Limmer Loop and north of Brushy Creek. Customers north of Limmer Loop are served by Jonah SUD. Customers south of Brushy Creek are served by Manville WSG for water and the City of Hutto for wastewater.

The City of Hutto does not provide electric services. Customers may select a provider at www.powertochoose.org.

Payment Options

ACH: Automatic payment. From checking or savings account. This option will save you time with fewer checks to write. Avoid late charges and disconnects.

ONLINE: View and pay your bill online at www.HuttoTX.gov/utilitybilling.

IN PERSON: Payment can be made in person during business hours in cash, check, money order and Master/Visa credit/debit cards.

BY MAIL: Send check or money order to 401 W. Front Street, Hutto, Texas 78634 along with the bottom portion (coupon) of your statement.

DROP BOX: A 24/7 payment drop box is located in front of our office for check or money order payments. Payments placed in the drop box will be credited the next business day.

BY PHONE: Call 512-759-4056 and choose the option to pay by phone.

FREQUENTLY ASKED QUESTIONS

Having a Garage Sale?

The City of Hutto will publish your Garage Sale on our website and Social Media sites. Submittals must be received no later than 5 PM on Wednesday prior to the Garage Sale. To submit your garage sale online, visit www.HuttoTX.gov.

Permits

Need permit or Code Enforcement questions? Contact the Development Services department at 512-759-3476 or visit hutto.tx.gov/development-services.

Signs in Right-of-Way

Never place garage sale or similar signs within the public right-of-way. The right-of-way typically includes the street, sidewalk and utilities such as power poles. For more information, please call Code Enforcement at 512-759-5665.

Tall Grass & Woods

Grass and weeds taller than 30 inches are considered a code
