Carugo-1351: Whiteboards

LOGGUNS SA

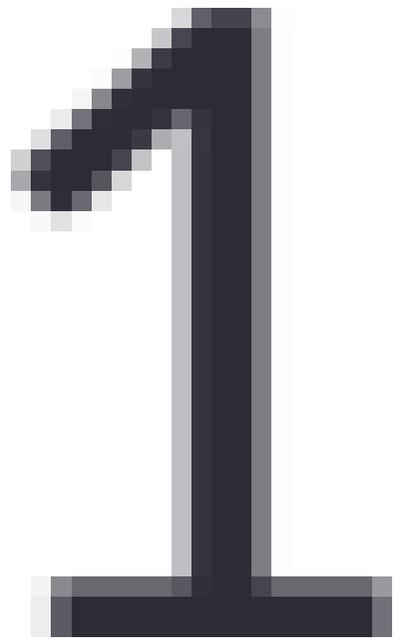

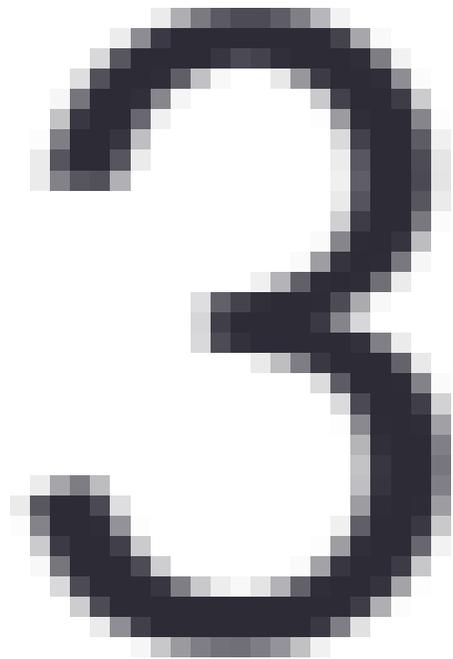

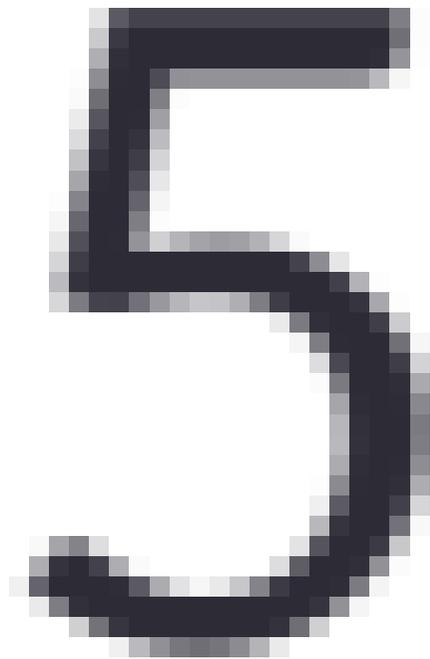

Y M M - Y Z - M M A

A pixelated black dollar sign (\$) on a white background. The sign is composed of a vertical stem with a circular loop at the top and a horizontal bar across the middle. The edges are jagged, characteristic of a low-resolution digital font.

A pixelated black number 2 on a white background. The number is formed by a thick, dark stroke that curves at the top and has a horizontal base at the bottom. The edges are jagged, characteristic of a low-resolution digital font.

A pixelated black number 4 on a white background. The number is formed by a thick, dark stroke that starts with a diagonal line, crosses a vertical stem, and has a horizontal base. The edges are jagged, characteristic of a low-resolution digital font.

A pixelated black number 5 on a white background. The number is formed by a thick, dark stroke that starts with a horizontal top bar, curves down on the right side, and has a horizontal base at the bottom. The edges are jagged, characteristic of a low-resolution digital font.

A pixelated, black and white representation of the number 1. It features a vertical stem with a horizontal base and a diagonal stroke at the top left.A pixelated, black and white representation of the number 3. It consists of two curved strokes, one above the other, forming a classic '3' shape.A pixelated, black and white representation of the number 5. It has a horizontal top bar, a vertical stem, and a curved bottom.A pixelated, black and white representation of the number 1, identical to the first one. It features a vertical stem with a horizontal base and a diagonal stroke at the top left.
