OUR LOGO

The Deco Planters logo sends a clear message to its audience has it has taken direct inspiration from the square geometry of the planters. The D mark in a box can also be seen as a bird's-eye view of a well manicured outdoor space. It looks great in gold, green, white, black and silver.

Feel free to used the entire logo as a logotype, or the mark itself as a stand-alone icon.

CLEAR SPACE

Clear space is the area that is required around the outside of our logo. It must be kept free of other graphic elements such as headlines, text, images and the outside edge of materials.

The minimum required clear space for the logo is defined by the measurement "X" as shown.

MINIMUM SIZE

The Deco Planters stand-alone logo is restricted to 0.7 mm for print and 42px for digital applications. Violating this standard compromises the integrity and legibility of the logo.

DONT'S

- 1. Don't change the opacity of the logo
- 2. Don't change the color of the logo
- 3. Don't distort the logo
- 4. Don't use graphic effects such as drop shadows on the logo
- 5. Don't rotate the logo
- 6. Don't change or remove any elements of the logo

OUR COLORS

Our colors are what give us personality. They have an Art Deco vibe that add an high-end feeling to our brand.

The Golden, with an hint of rust, has an association with the metal of the planters while the Dark Green is related to the plants inside of them.

The Beige goes well with both of those colors while being a perfect option for certain branding elements, like the website background.
